Beach 2 Bridge Results

With Rachel Mclean & Tim Eason teaming up the field was blitzed, however there was some fantastic results all round.

Rachel was first out of the water with a time of 17.47.99 min closely followed by Robert (Bob) Gerlach coming in @ 19.14.30 and hit on his tail was Kyle Gear 19.55.00.

The first Individual male across the line was Chad Anderson and the first female was Julie Edge

Check out the attachment for your results and everybody else as well.

Patrol Run-Swim-Run

Sundays Run-Swim-Run is shaping up with a tight contest between the top three patrols, so you might want to come on down @10.00am of a Sunday so your patrol can catch up!!

Point score is as follows:

Patrol C – 25	Patrol S - 13	Patrol P - 6	Patrol F - 3
Patrol L – 23	Patrol A – 12	Patrol T – 6	Patrol G - 2
Patrol R – 18	Patrol Q – 10	Patrol D - 5	Patrol J - 2
Patrol B – 14	Patrol O - 9	Patrol I – 5	Patrol N - 2
Patrol E – 13	Patrol K – 7	Patrol M – 5	Patrol H - 1

NT Champs – Gove

Are you ready, if not there's still time to squeeze in 6 months of training into 6 weeks, you can do it.

Remember, full payment for the group booking flight has to be made by Friday August 21st.

If you are going to stay at The Cats Club in Gove for an absolute bargain rate of nothing, apart from a small charge for breakfast.

Please call Helen on 0415 292980 or email helen.gould@powerwater.com.au as she has to know who & how many will be staying.

Want to know what events are on and when, see the program attached.

Sponsors & Building update

Clubhouse Extension

There are no updates to speak of as Cam & his crew are working on getting the formwork, however when it is all finalised the Clubhouse extension will give us a multi-purpose training room upstairs (to carry out our training programmes such as First Aid and Bronze Medallion courses) and there will be more room downstairs for a First Aid room and a dedicated safe area for IRB storage. The project is being funded via a \$50,000 grant from a Facility Development Grant given to us by the NT Office of Sport and Recreation. The top layer of blocks has been removed from existing building, now we are ready for formwork and the slab pouring.

Thanks to all those coming down after work and during your weekends to make this happen.

The long gear trailer we received as a result of \$3000 Community Benefit Fund grant. Has been registered and ready to hit the road. We will be using it to get gear to Nightcliff beach on the 16th for the next junior and senior carnival.

Our current fundraising focus is for the Nippers equipment trailer. The equipment trailer will also be used to transport Nipper boards for use at other beaches for competitions and training, plus it will be able to be used as a permanent storage facility. The trailer can be used to take the nipper boards on to the beach, which will prevent damage which can happen when the nippers take the boards from the Clubhouse to the beach.

The funding for the equipment trailer has got off to a great start thanks to the sponsorship of Eyewise Optometrists, who have given us \$4000 towards the cost of the

trailer.

We have a new surprise for the club but we will tell you all the detail next week , however it has all thanks to our guru Club House Director Josh Edwards back in the reigns from his overseas jaunt!

Without donations and in kind support from our sponsors the Darwin Surf Life Saving Club would not be able to function as it does, thank you again to all our generous sponsors!

Please support our sponsors as they support us!
