Wet Season Training Darwin Wave Pool
Sunday 12th March
9 - 11am

The wet season is well and truly here!
If we stand still long enough, we will all be mouldy. So come on down to the Darwin Waterfront grassed area, and then join us in the Wave Pool for more fun and games.

We would be very grateful if a few members could please assist us by making some Red and Yellow ice cups to share.

If you can help please let Tracy know

*please remember sun protection, water and goggles
